Trader's Challenge:

Traders have a requirement to save a configured collection of studies and indicators and then apply them to a chart in one step.

Trade Navigator's™ Feature:

Trade Navigator™ provides the Trader the opportunity to create templates based on their own research and import templates from third party traders or educators.

Trade Navigator's™ Benefit:

Trade Navigator™ provides the Trader with a very large number of easy to use templates which will assist the Trader in staying on top of market activity. The Trader may create any number of templates that are required. A summary of additional benefits include:

1. Saves Trader time and therefore money.
2. Assists in the Trader's trading execution process.
3. Simplifies the Trader's work.

Trade Navigator™ Example:

The following example is of the Manage Chart Template window:
