### Trader's Challenge:

Some Traders require an understanding of the relative positions of elements of the planetary system to assist them in the trading judgment process.

### Trade Navigator's™ Feature:

Trade Navigator's™ Ephemeris (Planetary) Library allows the Trader the ability to easily integrate Ephemeris (Planetary) information into the trading decision making process. The following calculations are provided for the Sun (earth's), moon, and various planets:

1. Heliocentric positions
2. Geocentric positions
3. Topocentric positions

### Trade Navigator's™ Benefit:

Trade Navigator's™ Ephemeris (Planetary) Library provides the Trader with the required fully integrated charts. A summary of additional benefits include:

1. Saves Trader time and therefore money.
2. Assists in the Trader's trading execution process.
3. Simplifies the Trader's work.

### Trade Navigator™ Example:

The following chart shows the Bradley Siderograph on an Exxon Mobil chart of 19 Sep 2008.
