### Trader's Challenge:

Traders have a requirement to use third party libraries; i.e., those that they acquire at various training sessions and from others.

### Trade Navigator's™ Feature:

Trade Navigator™ allows the Trader to install and use third party libraries.

### Trade Navigator's™ Benefit:

Trade Navigator's™ third party libraries provide the Trader with easy to use and comprehensive trading capabilities. A summary of additional benefits include:

1. Saves Trader time and therefore money.
2. Assists in the Trader's trading execution process.
3. Simplifies the Trader's work.

### Trade Navigator™ Example:

The following example is a small sample of available Genesis and third party libraries:
