### Trader's Challenge:

Traders have a requirement for a number of quote boards and that they can be detached from the chart and move to a separate monitor.

### Trade Navigator's™ Feature:

Trade Navigator's™ Multiple Detachable Quote Boards allows the Trader to have more than one quote board and detach it from the chart frame and move to any place on the monitor that is desired. The Trader can create as many quote boards as are desired using a grid, box, or Forex style.

### Trade Navigator's™ Benefit:

Trade Navigator's™ Multiple Detachable Quote Boards provides the Trader with easy to use versatile quote boards that the Trader can adapt to the circumstance. A summary of additional benefits include:

1. Saves Trader time and therefore money.
2. Assists in the Trader's trading execution process.
3. Simplifies the Trader's work.

### Trade Navigator™ Example:

The following examples show a detachable and resizable quote board. It looks the same in an attached or when it is detached. The first is the Box Style; the second is the Grid Style.
