Trader's Challenge:

Many Traders trade many securities and as a result have to set up a number of chart pages. To make the Traders work simpler they need a means to save the page and then be able to recall it with all the charts, symbols, etc. on the chart page.

Trade Navigator's™ Feature:

Trade Navigator's™ Saved Chart Page function allows the Trader the ability to easily save and recall chart pages with all current data, alerts, symbols, etc. on the chart.

Trade Navigator's™ Benefit:

Trade Navigator's™ Saved Chart Page function simply saves the Trader a lot of time and prevents mistakes recreating chart pages. A summary of additional benefits include:

1. Saves Trader time and therefore money.
2. Assists in the Trader's trading execution process.
3. Simplifies the Trader's work.

Trade Navigator™ Example:

This is an example of a six page chart which has been saved under the name of Bill.
